Headteacher: Mr F A Choudhury BSc PGCE NPQH

Thursday 23<sup>rd</sup> May 2019

Dear parent/carer,

As most of you are aware, the holy month of Ramadan ends soon, and Eid is potentially on Tuesday 4<sup>th</sup> or Wednesday 5<sup>th</sup> June, but the exact date will not be confirmed until later next week. When Eid is confirmed, that day will be an Inset Day and no year 7-10 students will be required to attend school, including those who do not celebrate Eid. However, this is a critical time of year for our year 11 students, and they will all be expected to attend school as usual.

Please ensure that we have your most up-to-date mobile telephone number so that we can keep you informed by text message; we will also place updates on our website.

If you have any major issues with childcare in the event that it is an Inset Day on Tuesday 4<sup>th</sup> or Wednesday 5<sup>th</sup> June, please inform your child's Learning Manager as soon as possible.

Thank you once again for your continued support. I wish you and your family a happy and enjoyable Eid.

Yours faithfully,

Mr F Choudhury  
Headteacher
