Child Protection and Safeguarding Policy

Definitions

Safeguarding and promoting the welfare of children means:

- Protecting children from maltreatment
- Preventing impairment of children's health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes.

Child protection is part of this definition and refers to activities undertaken to prevent children suffering, or being likely to suffer, significant harm.

Abuse is a form of maltreatment of a child and may involve inflicting harm or failing to act to prevent harm. Appendix 1 explains the different types of abuse.

Neglect is a form of abuse and is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Appendix 1 defines neglect in more detail.

Children includes everyone under the age of 18.

1. Introduction and purpose

1.1. The academy aims to ensure that:

- Appropriate action is taken in a timely manner to safeguard and promote children's welfare.
- All staff are aware of, and understand fully their statutory responsibilities with respect to safeguarding; staff are properly trained in recognising and reporting safeguarding issues.

2. Scope

2.1. Safeguarding and child protection is **everyone's** responsibility. This policy applies to all staff, trustees, AAG members, guest speakers and volunteers in the academy and is consistent with the procedures of the Local Safeguarding Partners. Our policy and procedures also apply to extended academy and off-site activities.

3. Legislation and regulation

3.1. This policy is based on the Department for Education's (DfE) statutory guidance, [Keeping Children Safe in Education 2019](#) and [Working Together to Safeguard Children¹](#), and the Department for Education (DfE) [Governance Handbook²](#). We comply with this guidance and the procedures set out by our local safeguarding partners (see local circumstances Appendix 6 for further information).

3.2. This policy complies with our Funding Agreement and Articles of Association.

3.3. This policy meets requirements relating to safeguarding and welfare in the [statutory framework for the Early Years Foundation Stage](#).

3.4. **This policy is also based on the following legislation:**

- Section 175 of the [Education Act 2002](#), which places a duty on schools and local authorities to safeguard and promote the welfare of pupils.
- [The School Staffing \(England\) Regulations 2009](#), which set out what must be recorded on the single central record and the requirement for at least one person on a school interview/appointment panel to be trained in safer recruitment techniques.
- Part 3 of the schedule to the [Education \(Independent School Standards\) Regulations 2014](#), which places a duty on academies and independent schools to safeguard and promote the welfare of pupils at the school.
- [The Children Act 1989](#) (and [2004 amendment](#)), which provides a

framework for the care and protection of children.

- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the [Serious Crime Act 2015](#), which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18.
- [Statutory guidance on FGM](#), which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM.
- [The Rehabilitation of Offenders Act 1974](#), which outlines when people with criminal convictions can work with children.
- Schedule 4 of the [Safeguarding Vulnerable Groups Act 2006](#), which defines what 'regulated activity' is in relation to children.
- Statutory [guidance on the Prevent duty](#), which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism.

4. Policy statement

- 4.1. Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it.
- 4.2. We are committed to anti-discriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.
- 4.3. We give special consideration to students who:
 - Have special educational needs and/or disabilities;
 - Are young carers;
 - May experience discrimination due to their race, ethnicity, faith and belief or no faith, age, gender identification; sexuality;
 - Are pregnant or in receipt of paternity/maternity leave;
 - Are married or in a civil partnership;
 - Have English as an additional language;
 - Are known to be living in difficult situations – for example, temporary accommodation or where there are issues such as substance abuse or domestic violence;
 - Are at risk of FGM, sexual exploitation, forced marriage, or radicalisation;
 - Are asylum seekers;
 - Are looked after or who have been previously looked after.

5. Recognising abuse and taking action

- 5.1. Staff, trustees, AAGs and volunteers must follow the procedures set out below in the event of a safeguarding issue.

If a child is in immediate danger:

- 5.2. Make a referral to children’s social care and/or the police **immediately** if a child is in immediate danger or at risk of harm. **Anyone can make a referral.**
- Tell the Designated Safeguarding Lead (DSL) as soon as possible if you make a referral directly.
 - We work in partnership with other agencies in the best interests of the children. The academy will, where necessary, liaise with the school nurse and doctor, police and make referrals to children’s social care. Referrals should be made by the DSL to the Multi- Agency Safeguarding Hub (MASH). Where the child already has a safeguarding social worker, the request for service should go immediately to the social worker involved, or in their absence to their team manager.
 - The following link provides additional guidance for reporting child abuse to your local council: <https://www.gov.uk/report-child-abuse-to-local-council>

If a child makes a disclosure to you:

- 5.3. If a child discloses a safeguarding issue to you, you should:
- Listen to and believe them;
 - Allow them time to talk freely, ask open questions only and do not ask leading questions;
 - Stay calm and do not show that you are shocked or upset; tell the child they have done the right thing in telling you;
 - Do not tell them they should have told you sooner;
 - Explain what will happen next and that you will have to pass this information on;
 - Do not promise to keep it a secret;
 - Speak directly to the DSL/Deputy DSL **immediately**. Please contact a member of the leadership team if you are unable to find a member of the safeguarding team;
 - Record on CPOMs the conversation as soon as possible in the child’s own words. Stick to the facts and do not put your own judgement on it. The record must include dates and times to ensure there is an accurate record; alternatively, if appropriate, make a referral to children’s social care and/or the police directly, and tell the DSL as soon as possible that you have done so.

If you discover that FGM has taken place or a pupil is at risk of FGM

- 5.4. The Department for Education’s (DfE 2019) *Keeping Children Safe in Education* explains that FGM comprises “all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs”.
- **FGM** is illegal in the UK and a form of child abuse with long-lasting, harmful

consequences. It is also known as ‘female genital cutting’, ‘circumcision’ or ‘initiation’.

- **Possible** indicators that a pupil has already been subjected to FGM, and factors that suggest a pupil may be at risk, are set out in section 5.6 below.
- **Any teacher** who discovers that an act of FGM appears to have been carried out on a **pupil under 18**, must immediately report this to the police, personally. This is a statutory duty, and teachers will face disciplinary sanctions for failing to meet it.
- **The duty above does not apply** in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff must inform the DSL if they have any concerns that a pupil may be having FGM surgery in the future in the UK but also abroad. Staff must not examine pupils.
- **Any other member of staff** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow the Academy local safeguarding procedures (see Appendix 6).

5.5. The DSL will make sure that staff have access to appropriate training to equip them to be alert to children affected by FGM or at risk of FGM. Indicators that FGM has already occurred include:

- A pupil confiding in a professional that FGM has taken place;
- A mother/family member disclosing that FGM has been carried out;
- A family/pupil already being known to social services in relation to other safeguarding issues;
- Having unusual difficulty walking, sitting or standing, or looking uncomfortable;
- Finding it hard to sit still for long periods of time (where this was not a problem previously);
- Spending longer than normal in the bathroom or toilet due to difficulties urinating;
- Having frequent urinary, menstrual or stomach problems; avoiding physical exercise or missing PE;
- Being repeatedly absent from school, or absent for a prolonged period;
- Demonstrating increased emotional and psychological needs – for example, withdrawal or depression, or significant change in behaviour; being reluctant to undergo any medical examinations;
- Asking for help, but not being explicit about the problem; talking about pain or discomfort between her legs.

5.6. Potential signs that a pupil may be at risk of FGM include:

- The girl’s family having a history of practising FGM (this is the biggest risk factor to consider);
- FGM being known to be practised in the girl’s community or country of

origin;

- A parent or family member expressing concern that FGM may be carried out;
- A family not engaging with professionals (health, education or other) or already being known to social care in relation to other safeguarding issues;
- Unexpected holiday abroad and rumours of surgery or rituals or traditions abroad; having a mother, older sibling or cousin who has undergone FGM;
- Having limited level of integration within UK society; confiding to a professional that she is to have a “special procedure” or to attend a special occasion to “become a woman”;
- Talking about a long holiday to her country of origin or another country where the practice is prevalent, or parents stating that they or a relative will take the girl out of the country for a prolonged period;
- Requesting help from a teacher or another adult because she is aware or suspects that she is at immediate risk of FGM;
- Talking about FGM in conversation – for example, a girl may tell other children about it (although it is important to take into account the context of the discussion);
- Being unexpectedly absent from school or visiting a surgeon from another country who is visiting the UK; having sections missing from her ‘red book’ (child health record) and/or attending a travel clinic or equivalent for vaccinations/anti-malarial medication.

5.7. The above indicators and risk factors are not intended to be exhaustive.

If you have concerns about extremism and radicalisation

- 5.8. Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Extremism is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs.
- 5.9. Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that all staff have access to appropriate training to equip them to identify children at risk.
- 5.10. The DSL will assess the risk of children in our academy being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our Local Safeguarding Partners.
- 5.11. If a child is not at immediate risk of harm, where possible, speak to the DSL first to agree a course of action. Alternatively, make a referral to the local authority children’s social care directly if appropriate (see ‘Referral’ above).
- 5.12. Where there is a concern, the DSL will consider the level of risk and decide

which agency to make a referral. This could include [Channel](#), the government's programme for identifying and supporting individuals at risk of being drawn into terrorism, or the local authority children's social care team.

- 5.13. The Department for Education also has a dedicated telephone helpline, 020 7340 7264, that academy staff and regional teams can call to raise concerns about extremism with respect to a pupil. You can also email counter.extremism@education.gov.uk. Note that this is not for use in emergency situations.
- 5.14. In an emergency, call 999 or the confidential anti-terrorist hotline on 0800 789 321 if you:
 - Think someone is in immediate danger;
 - Think someone may be planning to travel to join an extremist group;
 - See or hear something that may be terrorist-related.
- 5.15. We will ensure that suitable internet filtering is in place and equip our pupils to stay safe online at the academy and at home.
- 5.16. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period. Staff will be alert to changes in pupils' behaviour.
- 5.17. The government website Educate Against Hate <https://educateagainsthate.com/> and charity NSPCC say that signs that a pupil is being radicalised can include:
 - Refusal to engage with, or becoming abusive to, peers who are different from themselves;
 - Becoming susceptible to conspiracy theories and feelings of persecution
 - Changes in friendship groups and appearance;
 - Rejecting activities they used to enjoy;
 - Converting to a new religion;
 - Isolating themselves from family and friends;
 - Talking as if from a scripted speech;
 - An unwillingness or inability to discuss their views;
 - A sudden disrespectful attitude towards others;
 - Increased levels of anger;
 - Increased secretiveness, especially around internet use;
 - Expressions of sympathy for extremist ideologies and groups, or justification of their actions;
 - Accessing extremist material online, including via social media platforms;
 - Possessing extremist literature;
 - Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations.
- 5.18. Children who are at risk of radicalisation may have low self-esteem or be

victims of bullying or discrimination. It is important to note that these signs can also be part of normal teenage behaviour – staff should have confidence in their instincts and seek advice if something feels wrong.

5.19. Staff must always take action if they are worried.

Forced marriage

5.20. Forcing a person into marriage is a crime. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats, or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological and can come from parents and other family members or elders in a particular religion.

5.21. Staff will receive training around forced marriage and the presenting symptoms. We are aware of the ‘one chance’ rule, i.e. we may only have one chance to speak to the potential victim and only one chance to save them. If a member of staff suspects that a pupil is being forced into marriage, they will speak to the pupil about their concerns in a secure and private place. They will then report this to the DSL.

5.22. The DSL will:

- Speak to the pupil about the concerns in a secure and private place;
- Activate the local safeguarding procedures and refer the case to the local authority’s designated officer;
- Seek advice from the Forced Marriage Unit on 020 7008 0151 or fmufco.gov.uk ; refer the pupil to an education welfare officer, pastoral tutor, learning mentor, or school counsellor, as appropriate.

Breast ironing

5.23. Breast Ironing is practiced in some African countries, notably Cameroon. Girls aged between 9 and 15 have hot pestles, stones or other implements rubbed on their developing breast to stop them growing further. In the vast majority of cases breast ironing is carried out by mothers or grandmothers and the men in the family are unaware. Estimates range between 25% and 50% of girls in Cameroon are affected by breast ironing, affecting up to 3.8 million women across Africa.

5.24. The practice of breast ironing is seen as a protection to girls by making them seem ‘child-like’ for longer and reduce the likelihood of pregnancy. Breast ironing is more prevalent in cities. Cameroon has one of the highest rates of literacy in Africa and ensuring that girls remain in education is seen as an important outcome of breast ironing.

- 5.25. Breast ironing is a form of physical abuse that has been condemned by the United Nations and identified as Gender-based Violence. *Keeping Children Safe in Education* (DfE 2019) mentions breast ironing as part of so-called 'Honour Violence'.
- 5.26. Staff worried about the risk of breast ironing in their academy should speak to the Designated Safeguarding Lead as soon as possible.

Serious violence

- 5.27. As included in KCSIE 2019, all staff should be aware of indicators, which may signal children are at risk from, or are involved with serious violent crime. These may include:
- increased absence from school;
 - a change in friendships or relationships with older individuals or groups;
 - a significant decline in performance;
 - signs of self-harm or significant change in well-being;
 - signs of assault or unexplained injuries;
 - unexplained gifts or new possessions.
- 5.28. These could indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.
- 5.29. All staff should be aware of the associated risks and understand the measures in place to manage these. Further advice can be provided in the Home Office's 2018 guidance documents: ³*Preventing Youth Violence and Gang Involvement* and ⁴*Criminal exploitation of children and vulnerable adults: county lines* guidance.

Child sexual exploitation

- 5.30. Child sexual exploitation (CSE) is a form of sexual abuse where children are sexually exploited for money, power or status. This can involve violent, humiliating and degrading sexual assaults, but does not always involve physical contact and can happen online. For example, young people may be persuaded or forced to share sexually explicit images of themselves, have sexual conversations by text, or take part in sexual activities using a webcam.
- 5.31. Children or young people who are being sexually exploited may not understand that they are being abused. They often trust their abuser and may be tricked into believing they are in a loving, consensual relationship. If a member of staff suspects CSE, they will discuss this with the DSL. The DSL will

trigger the local safeguarding procedures, including a referral to the local authority's children's social care team and the police, if appropriate.

5.32. Indicators of sexual exploitation can include a child:

- Appearing with unexplained gifts or new possessions;
- Associating with other young people involved in exploitation;
- Having older boyfriends or girlfriends;
- Suffering from sexually transmitted infections or becoming pregnant;
- Displaying inappropriate sexualised behaviour;
- Suffering from changes in emotional wellbeing;
- Misusing drugs and/or alcohol;
- Going missing for periods of time, or regularly coming home late;
- Regularly missing school or education, or not taking part in education.

Online Safety

5.33. The prevalence of issues arising through children's access to the online world is significant and all staff should be aware of associated risks and signs/symptoms. These are categorised within KCSIE 2019 as:

- Content
- Contact
- Conduct

5.34. This includes non-age-appropriate content, self-harm and suicide, sexting, cyberbullying, grooming, radicalisation and gaming (now identified by the World Health Organisation as a disorder). Specific reference to safeguarding in relation to access online can be found in the Trust's Online Safety Policy.

Contextual Safeguarding

5.35. Safeguarding concerns can be associated with factors outside the home environment and all staff (but especially safeguarding teams) should be aware of the context that such concerns can occur. This includes issues that arise in an academy, between peers, within the local community or online. This is known as **contextual safeguarding**.

6. Concerns or allegations of abuse

Concerns about a staff member or volunteer

6.1. Members of staff must comply with the requirements of the Department for Education (DfE) Teachers' Standards:
<https://www.gov.uk/government/publications/teachers-standards>

- 6.2. All members of staff should recognise that they are in a professional position and must not become too informal with pupils. This means for example, not including them as Facebook or social media friends, not texting or swapping photographs, or arrange to meet out of the academy. Any of these aspects could constitute misconduct.
- 6.3. If you have concerns about a member of staff or volunteer, speak to the headteacher. If you have concerns about the headteacher, speak to the Regional Education Director. You can also discuss any concerns about any staff member or volunteer with the DSL.
- 6.4. The headteacher /system leader/DSL will then follow the procedures set out in Appendix 3, if appropriate. The DSL (or the Regional System Leader, in the case of a concern about the headteacher) will also inform the designated officer for the local authority.
- 6.5. In the primary, and where appropriate, the secondary academies, the academy will inform Ofsted of the allegation and actions taken, particularly if the child is below compulsory school age or within the EYFS, within the necessary timescale (see Appendix 3 for more detail).

Allegations of abuse made against other pupils (peer-on-peer abuse)

- 6.6. We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as “banter” or “part of growing up”.
- 6.7. Most cases of pupils hurting other pupils will be dealt with under our academy behaviour policy, but this Child Protection and Safeguarding Policy will apply to any allegations that raise safeguarding concerns. This might include where the alleged behaviour:
 - Is serious, and potentially a criminal offence;
 - Could put pupils in the school at risk;
 - Is violent;
 - Involves pupils being forced/coerced into drugs or alcohol;
 - Involves sexual exploitation or sexual abuse, such as indecent exposure, sexual assault, or sexually inappropriate pictures or videos (including sexting).
- 6.8. Staff are made aware of the importance of: making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up; not tolerating or dismissing sexual violence or sexual harassment as “banter”, “part of growing up”, “just having a laugh” or “boys being boys”; challenging behaviours (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, flicking bras and upskirting (as per KCSIE 2019); dismissing or tolerating such behaviours risks normalising them.

- 6.9. Upskirting, typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm. It is now a criminal offence.
- 6.10. When referring to sexual harassment we mean 'unwanted conduct of a sexual nature' that can occur online and offline. When we reference sexual harassment, we do so in the context of child on child sexual harassment. Sexual harassment is likely to: violate a child's dignity, and/or make them feel intimidated, degraded or humiliated and/or create a hostile, offensive or sexualised environment.
- 6.11. Whilst not intended to be an exhaustive list, sexual harassment can include: sexual comments, such as: telling sexual stories, making lewd comments, making sexual remarks about clothes and appearance and calling someone sexualised names:
- Sexual "jokes" or taunting;
 - Physical behaviour, such as: deliberately brushing against someone, interfering with someone's clothes and displaying pictures, photos or drawings of a sexual nature; and online sexual harassment; non-consensual sharing of sexual images and videos;
 - Sexualised online bullying;
 - Unwanted sexual comments and messages, including, on social media;
 - And sexual exploitation; coercion and threat.

If a pupil makes an allegation of abuse against another pupil:

- You must tell the DSL and record the allegation, but do not investigate it;
 - The DSL will contact the local authority children's social care team and follow its advice, as well as the police if the allegation involves a potential criminal offence;
 - The DSL will put a risk assessment and support plan into place for all children involved – both the victim(s) and the child(ren) against whom the allegation has been made – with a named person they can talk to if needed; the DSL will contact the children and adolescent mental health services (CAMHS), if appropriate.
- 6.12. We will minimise the risk of peer-on-peer abuse by: challenging any form of derogatory or sexualised language or behaviour; being vigilant to issues that particularly affect different genders – for example, sexualised or aggressive touching or grabbing towards female pupils, and initiation or hazing type violence with respect to boys; ensuring our curriculum helps to educate pupils

about appropriate behaviour and consent; ensuring pupils know they can talk to staff confidentially; ensuring staff are trained to understand that a pupil harming a peer could be a sign that the child is being abused themselves, and that this would fall under the scope of this policy.

If you have concerns about a child (as opposed to a child being in immediate danger)

- 6.13. Figure 1 illustrates the procedure to follow if you have concerns about a child's welfare and the child is not in immediate danger.
- 6.14. Where possible, speak to the DSL first to agree a course of action. Alternatively, make a referral to local authority children's social care directly (see 'Referral' below).
- 6.15. You can also contact the charity NSPCC on 0808 800 5000 if you need advice on the appropriate action.

Early help

- 6.16. If early help is appropriate, the DSL will support you in liaising with other agencies and setting up an inter-agency assessment as appropriate.
- 6.17. The DSL will keep the case under constant review and the school will consider a referral to local authority children's social care if the situation does not seem to be improving. Timelines of interventions will be monitored and reviewed.

Referral

- 6.18. If it is appropriate to refer the case to local authority children's social care or the police, the DSL will make the referral or support you to do so.
- 6.19. If you make a referral directly, you must tell the DSL as soon as possible.
- 6.20. The local authority will make a decision within 1 working day of a referral about what course of action to take and will let the person who made the referral know the outcome. The DSL or person who made the referral must follow up with the local authority if this information is not made available and ensure outcomes are properly recorded.
- 6.21. If the child's situation does not seem to be improving after the referral, the DSL or person who made the referral must contact the local authority and make sure the case is reconsidered to ensure the concerns have been addressed and the child's situation improves.

Allegations and/or Complaints against staff

6.22. Allegations and/or complaints against staff that are likely to require a child protection investigation will be handled in accordance with our procedures for dealing with allegations of abuse made against staff (see Appendix 3). For use of reasonable force, please refer to section 15 of Behaviour and Anti-Bullying Policy.

Other complaints

6.23. If concerns are raised by parents/carers that relate to a possible safeguarding issue, the matter will be referred to the Designated Safeguarding Lead on the senior leadership team and will be handled in line with this Child Protection and Safeguarding Policy. If the concerns related to the premises, the headteacher would work collaboratively with the operations team to investigate the concerns further and take action if required.

6.24. In the EYFS, there is a written procedure for dealing with concerns and complaints from parents and/or carers, and will keep a written record of any complaints, and their outcome.

6.25. Primary schools will investigate written complaints relating to their fulfilment of the EYFS requirements and notify complainants of the outcome of the investigation within 28 days of having received the complaint.

6.26. Early years providers will make available to parents and/or carers details about how to contact Ofsted if they believe the provider is not meeting the EYFS requirements. Parents and /or carers will be made aware if they are to be inspected by Ofsted. A copy of the report will be issued to parents and/or carers of children attending on a regular basis.

Whistle-blowing

6.27. The academy has a separate whistle-blowing policy that covers concerns regarding the way the academy safeguards pupils – including poor or unsafe practice, or potential failures.

7. Training

All staff

7.1. All staff members will undertake safeguarding and child protection training at induction, including on whistle-blowing procedures, to ensure they understand the academy's safeguarding systems and their responsibilities, and can identify signs of possible abuse or neglect. This training will be annually updated and will be in line with advice from our Local Safeguarding Partners.

- 7.2. All staff are responsible for ensuring that their individual understanding of safeguarding is up to date at all times. Staff must be aware who they should approach with concerns or questions.
- 7.3. All staff will have training on the government's anti-radicalisation strategy, Prevent, to enable them to identify children at risk of being drawn into terrorism and to challenge extremist ideas.
- 7.4. Staff will also receive regular safeguarding and child protection updates (for example, through emails, e-bulletins and staff meetings) as required, but at least annually.

The Designated Safeguarding Lead and Deputy/Deputies

- 7.5. The DSL and Deputy/Deputies will undertake child protection and safeguarding training at least every two years.
- 7.6. In addition, they will update their knowledge and skills at regular intervals and at least annually (for example, through e-bulletins, meeting other DSLs, or taking time to read and digest safeguarding policy documents and national updates).
- 7.7. They will also undertake Prevent awareness training.

8. Children missing from education

- 8.1. **Children missing from education**
- 8.2. The Regional Education Director (RED), Deputy RED and the governance team will review the numbers of CME every six weeks at the Raising Achievement Board (RAB). They will ask about the steps being taken to trace and track the movement of CME pupils and actions being taken to ensure their safety. An off-rolling form must be completed to identify the reasons why a child will be taken off the academy roll.
- 8.3. A child going missing from education is a potential indicator of abuse or neglect, and such children are at risk of being victims of harm, exploitation or radicalisation. There are many circumstances where a child may become missing from education, but some children are particularly at risk. These include children who:
 - Are at risk of harm or neglect;
 - Come from Gypsy, Roma, or Traveller families;
 - Come from the families of service personnel;
 - Go missing or run away from home or care;

- Are supervised by the youth justice system; come from new migrant families.
- 8.4. We will follow our procedures for unauthorised absence and for dealing with children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future. This includes informing the local authority if a child leaves the academy without a new school being named and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.
- 8.5. Staff will be trained in signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns which may be related to being missing, such as travelling to conflict zones, FGM and forced marriage.
- 8.6. If a staff member suspects that a child is suffering from harm or neglect, we will follow local child protection procedures, including with respect to making reasonable enquiries. We will make an immediate referral to the local authority children's social care team, and the police, if the child is in immediate danger or at risk of harm.

9. Recruitment - interview/appointment panels

- 9.1. At least one person on any interview/appointment panel for a post at the academy will have undertaken safer recruitment training. This will cover, as a minimum, the contents of the Department for Education's (DfE) statutory guidance, *Keeping Children Safe in Education* September 2019 and be in line with local safeguarding procedures.

10. Staff who have contact with pupils and families

- 10.1. All staff who have contact with children and families will have supervisions which will provide them with support, coaching and training, promote the interests of children and allow for confidential discussions of sensitive issues.

11. Responsibilities

All staff

- 11.1. All staff will read and sign to confirm their understanding of Part 1 and Annex A of the Department for Education's (DfE 2019) statutory safeguarding guidance, [Keeping Children Safe in Education](#), and **review this guidance at least annually.**
- 11.2. All staff will be aware of:

- Our systems which support safeguarding, including the staff code of conduct policy, the role of the Designated Safeguarding Lead (DSL), the behaviour policy, and the safeguarding response to children who go missing from education;
- The early help process (sometimes known as the common assessment framework) and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment; the process for making referrals to local authority children's social care and for statutory assessments that may follow a referral, including the role they might be expected to play;
- What to do if they identify a safeguarding issue or a child tells them they are being abused or neglected, including statutory duties such as reporting FGM, and how to maintain an appropriate level of confidentiality while liaising with relevant professionals;
- The signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child sexual exploitation (CSE), FGM and radicalisation.

The Designated Safeguarding Lead (DSL)

- 11.3. The DSL takes lead responsibility for child protection and wider safeguarding.
- 11.4. During term time, the DSL will be available during school hours for staff to discuss any safeguarding concerns.
- 11.5. The contact details of the DSL and Deputy DSL and Regional Safeguarding System Leader, can be found at the front of this policy.
- 11.6. When the DSL is absent, the deputy/deputies will act as cover.
- 11.7. If the DSL and deputy/deputies are not available, the headteacher must arrange for appropriate cover (for example, during out-of-hours/out-of-term activities).
- 11.8. The DSL will be given the time, funding, training, resources and support to provide advice and support to other staff on child welfare and child protection matters:
- Take part in strategy discussions and inter-agency meetings and/or support other staff to do so;
 - Contribute to the assessment of children; refer suspected cases, as appropriate, to the relevant body (local authority children's social care, Channel programme, Disclosure and

Barring Service, and/or police), and support staff who make such referrals directly;

- The DSL will also keep the headteacher informed of any issues and liaise with local authority case managers and designated officers for child protection concerns as appropriate.

11.9. The role of DSL and Deputy DSL is explicit in the role holder's job description. The full description of their responsibilities is set out in Appendix 5.

Governance

11.10. The Board of Trustees and the Executive Leadership team (ELT) will approve this policy at each review. In upholding their governance function the Regional Education Director and regional team will hold the headteacher to account for its implementation.

11.11. The Regional Safeguarding System Leader will ensure the academy contributes to multi-agency working in line with the DfE statutory guidance *Working Together to Safeguard Children 2018*. The academy must understand their role in the new safeguarding partner arrangements in the local authority.

11.12. The Regional Safeguarding System Leader will monitor the effectiveness of this policy. The system leader is responsible for liaising with the headteacher and Designated Safeguarding Lead over all matters regarding child protection issues.

11.13. The Regional Safeguarding System Leader will liaise with the headteacher and the Designated Safeguarding Lead to produce an annual report for the local authority (s175/s157).

11.14. The Regional Education Director, or when appropriate, the Deputy Regional Education Director, will act as the 'case manager' in the event that an allegation of abuse is made against the headteacher, where appropriate (see Appendix 3).

The Headteacher

11.15. The headteacher, or where appropriate her/his deputy, is responsible for the implementation of this policy, including:

- Ensuring that staff (including temporary staff) and volunteers are informed of this policy as part of their induction; communicating this policy to parents when their child joins the academy and via the academy website;
- Ensuring that the DSL has appropriate time, funding, training and

resources, and that there is always adequate cover if the DSL is absent;

- Ensuring that all staff undertake appropriate safeguarding and child protection training and update this regularly;
- Acting as the 'case manager' in the event of an allegation of abuse made against another member of staff or volunteer, where appropriate (see Appendix 3);
- Ensuring the relevant staffing ratios are met, where applicable;
- Ensuring that each child in the Early Years Foundation Stage is assigned a key person.

Confidentiality

11.16. The academy has a separate policy with respect to confidentiality and data protection. This includes a list of guidelines for staff to follow to avoid breaching confidentiality. All staff must be aware that:

- Timely information sharing is essential to effective safeguarding;
- Information must only be shared on a 'need-to-know' basis, but you do not need consent to share information if a child is suffering, or at risk of, serious harm;
- Staff should never promise a child that they will not tell anyone about an allegation, as this may not be in the child's best interests;
- Confidentiality is also addressed in this policy with respect to record-keeping in section 11, and allegations of abuse against staff in Appendix 3.

12. Notifying parents

- 12.1. Where appropriate, we will discuss any concerns about a child with the child's parents. The DSL will normally do this in the event of a suspicion or disclosure.
- 12.2. Other staff will only talk to parents about any such concerns following consultation with the DSL.
- 12.3. If we believe that notifying the parents would increase the risk to the child, we will discuss this with the local authority children's social care team before doing so.
- 12.4. In the case of allegations of abuse made against other children, we will normally notify the parents of all the children involved.

13. Mobile phones and cameras

- 13.1. In the EYFS and in primary academies, no member of staff may use their own tablet, phone or other device to take photographs whilst children are present. Academy tablets, phones, devices may only be used in the main classroom area (not toilets or changing rooms or where children are changing their clothes) during work time when they may want a record of a child's learning for assessment purposes.
- 13.2. Staff are allowed to bring their personal phones to the academy for their own use but will limit such use to non-contact time when pupils are not present. Staff members' personal phones will remain in their bags or cupboards during contact time with pupils.
- 13.3. Staff will not take pictures or recordings of pupils on their personal phones or cameras. This includes at performance events. Headteachers and other key roles will be provided with an E-ACT mobile device.
- 13.4. We will follow the General Data Protection Regulation⁴ which formed the Data Protection Act 2018 when taking and storing photos and recordings for use in the academy.

14. Monitoring and compliance

- 14.1. The Department for Education (DfE 2019) *Keeping Children Safe in Education* requires schools and colleges in England to "ensure appropriate filters and appropriate monitoring systems are in place. There is additional guidance how to teach pupils to be safe online on the DfE guidance.
- 14.2. Children should not be able to access harmful or inappropriate material from the academy's IT system" however, schools will need to "be careful that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding."
- 14.3. We recognise that no filter can be guaranteed to be 100% effective. The headteacher along with the Regional Operations Director (ROD), will check that the academy is satisfied that their filtering system manages the following content (and web search). The filtering will have regard to:
 - Discrimination – a web search that promotes the unjust or prejudicial treatment of people on the grounds of race, religion, age, sexuality, gender identity, disability; drugs/substance abuse - displays or promotes the illegal use of drugs or substances;
 - Extremism - promotes terrorism and terrorist ideologies, violence or

⁴ <http://www.legislation.gov.uk/ukpga/2018/12/contents/enacted>

intolerance; malware/hacking - promotes the compromising of systems including anonymous browsing and other filter bypass tools as well as sites hosting malicious content;

- Pornography - displays sexual acts or explicit images; piracy and copyright theft - includes illegal provision of copyrighted material;
- Self-harm - promotes or displays deliberate self-harm (including suicide and eating disorders); violence - displays or promotes the use of physical force intended to hurt or kill.

14.4. The academy makes sure that their filtering system meets the following principles:

- Age appropriate, differentiated filtering – includes the ability to vary filtering strength appropriate to age and role; has the ability and ease of use that allows academies to control the filter themselves to permit or deny access to specific content;
- The filtering provider publishes a rationale that details their approach to filtering with classification and categorisation as well as over blocking;
- The filtering system has the ability to identify users;
- Mobile and App content – mobile and app content is often delivered in entirely different mechanisms from that delivered through a traditional web browser. To what extent does the filter system block inappropriate content via mobile and app technologies (beyond typical web browser delivered content);
- Multiple language support – the ability for the system to manage relevant languages. Network level filtering should be applied at ‘network level’ i.e., not reliant on any software on user devices;
- Reporting mechanism – the ability to report inappropriate content for access or blocking. Reports – the system offers clear historical information on the websites visited by your users.

14.5. We recognise that no monitoring can guarantee 100% effectiveness. The academy will make sure that there are appropriate monitoring systems in place to check for:

- Content that is illegal, for example child abuse images and terrorist content;
- The repeated use of force, threat or coercion to abuse, intimidate or

aggressively dominate others;

- Encouraging the child into a coercive/manipulative sexual relationship. This may include encouragement to meet;
- Promotes the unjust or prejudicial treatment of people on the grounds of race, religion, age, sex, sexuality, disability or gender identity;
- Displays or promotes the illegal use of drugs or substances;
- Promotes terrorism and terrorist ideologies, violence or intolerance;
- Displays sexual acts or explicit images;
- Promotes or displays deliberate self-harm; promotes the use of physical force intended to hurt or kill; suggest the user is considering suicide.

14.6. The academy makes sure that the content is age appropriate – includes the ability to implement variable monitoring appropriate to age. The system includes the capability to monitor personal mobiles and app technologies (i.e. not owned by the school), ensure it is deployed and supported and how data is managed.

Impact

14.7. The Regional Operations Director and the IT systems manager uses monitoring results to inform policy and practice. All users are made aware that their online access is being monitored via staff training, staff handbooks, assemblies to pupils and computing lessons.

Record-keeping

14.8. We will hold records in line with our E-ACT Information and Records Retention Policy and data protection legislation.

14.9. All safeguarding concerns, discussions, decisions made and the reasons for those decisions, must be recorded on CPOMs. Staff can choose to upload a hand-written record on CPOMs if required. If you are in any doubt about whether to record something, discuss it with the DSL. Non-confidential records will be easily accessible and available. Confidential information and records will be held securely and only available to those who have a right or professional need to see them.

14.10. Safeguarding records relating to individual children will be retained for a reasonable period of time after they have left the academy. The safeguarding

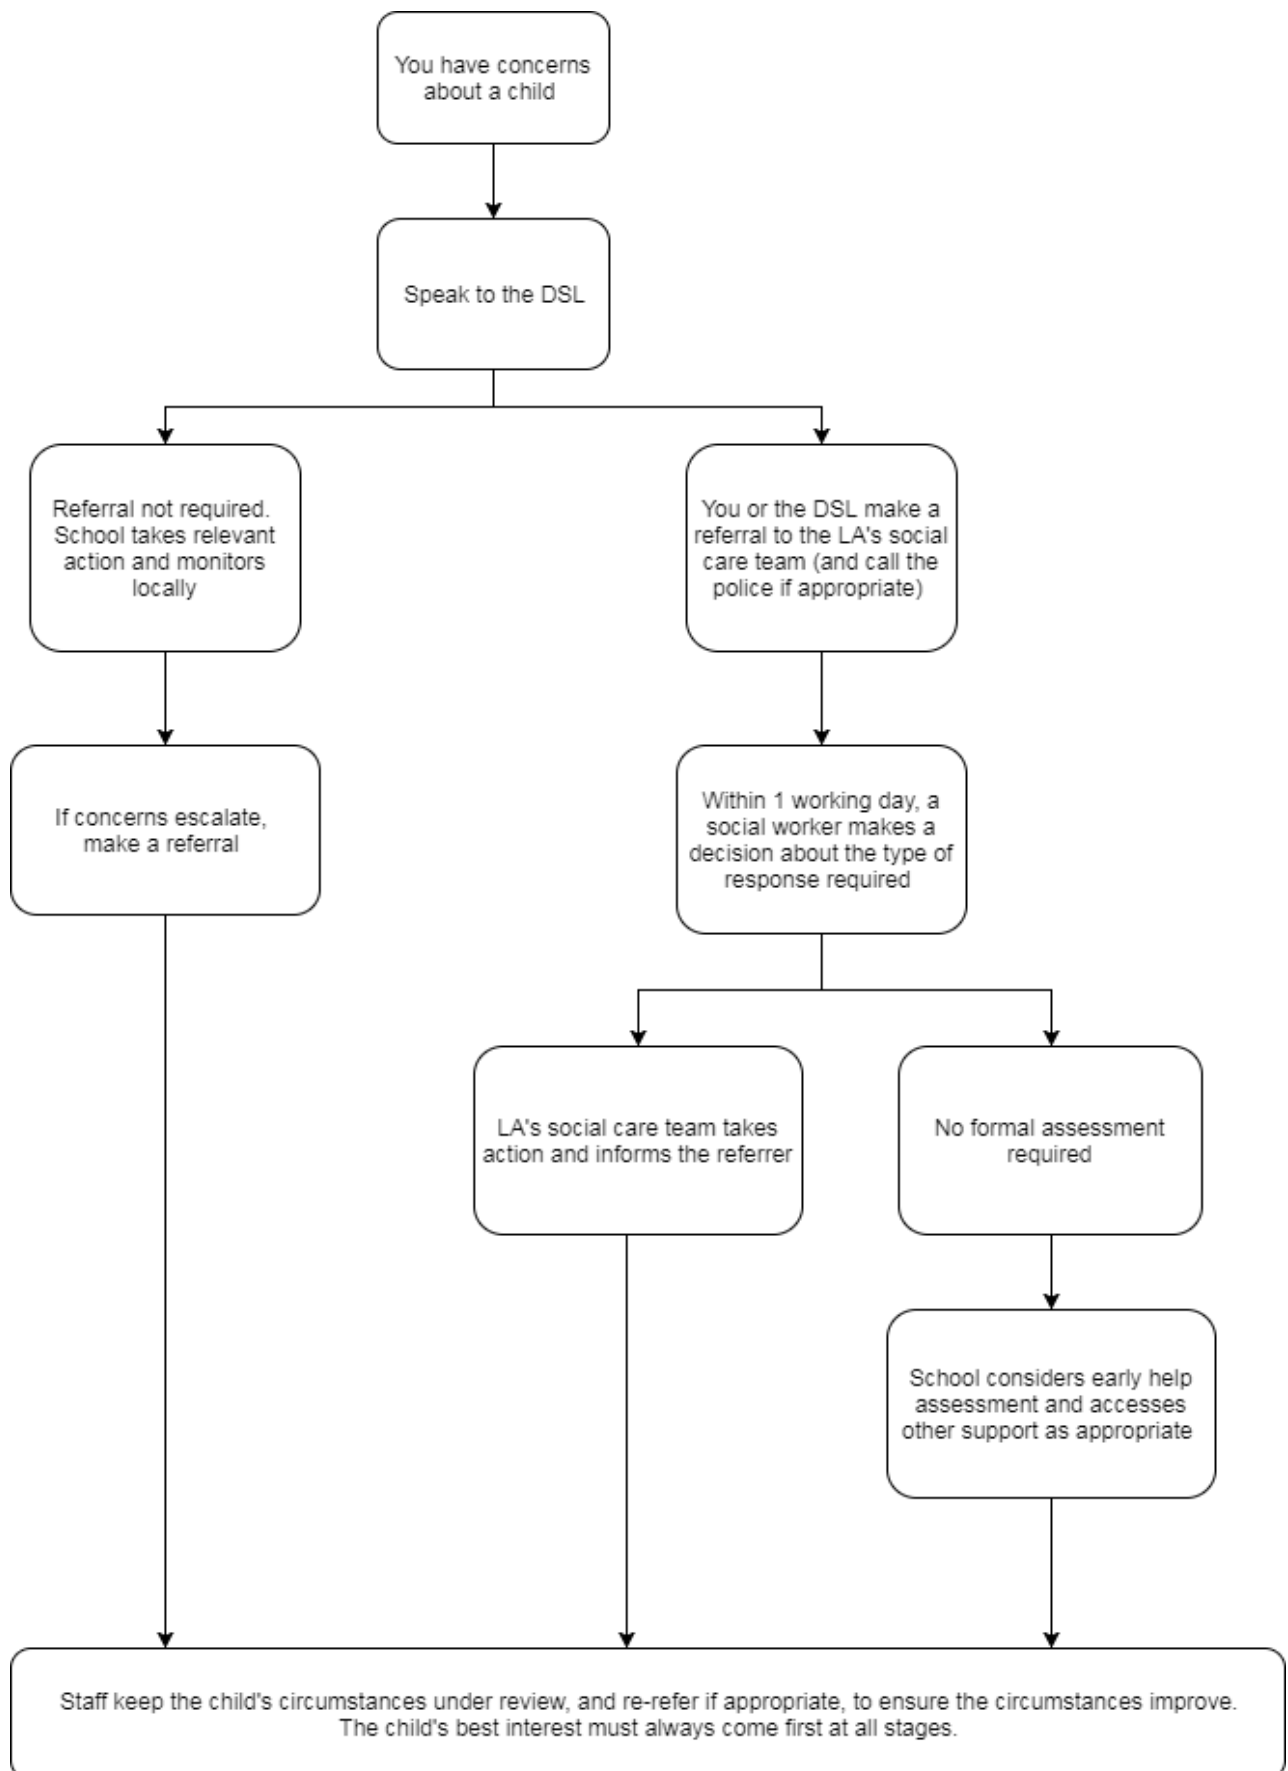

records are all stored on CPOMS. There are historic paper records still held within the academy that are used when required. The Trust has a separate policy that provides additional information for how long the records are held. This is in our E-ACT Information and Records Retention Policy.

- 14.11. The academy will share information with other agencies and when this is appropriate, in line with your local safeguarding procedures.
- 14.12. Appendix 2 sets our recruitment and pre-employment checks.
- 14.13. Appendix 3 sets out our policy respect to allegations of abuse made against staff.

15. Policy Review

This policy will be reviewed **annually**. At every review, it will be approved by the Executive Leadership Team (ELT) and the full governing board of the Trust, the Board of Trustees.

Figure 1: Procedure if you have concerns about a child's welfare (no immediate danger)

Appendix 1: types of abuse

Abuse, including neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap.

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Emotional abuse may involve:

- Conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person
- Not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate
- Age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction
- Seeing or hearing the ill-treatment of another
- Serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children.

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve:

- Physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing
- Non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet).

Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse.

Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Appendix 2: Safer Recruitment and DBS checks – policy and procedures

We will record all information on the checks carried out in the academy's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

Appointing new staff

When appointing new staff, we will:

- Verify their identity
- Obtain (via the applicant) an enhanced Disclosure and Barring Service (DBS) certificate, including barred list information for those who will be engaging in regulated activity (see definition below). We will not keep a copy of this for longer than 6 months
- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK, including (where relevant) any teacher sanctions or restrictions imposed by a European Economic Area professional regulating authority, and criminal records checks or their equivalent
- Check that candidates taking up a management position are not subject to a prohibition from management (section 128) direction made by the secretary of state
- Ask for written information about previous employment history and check that information is not contradictory or incomplete.

We will seek references on all short-listed candidates, including internal candidates, before interview. We will scrutinise these and resolve any concerns before confirming appointments.

Regulated activity means a person who will be:

- Responsible, on a regular basis in a school or college, for teaching, training, instructing, caring for or supervising children
- Carrying out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children

- Engaging in intimate or personal care or overnight activity, even if this happens only once and regardless of whether they are supervised or not.

Existing staff

If we have concerns about an existing member of staff's suitability to work with children, we will carry out all the relevant checks as if the individual was a new member of staff. We will also do this if an individual moves from a post that is not regulated activity to one that is.

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult:

- Where the 'harm test' is satisfied in respect of the individual (i.e. that no action or inaction occurred but the present risk that it could was significant)
- Where the individual has received a caution or conviction for a relevant offence
- If there is reason to believe that the individual has committed a listed relevant offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#)
- If the individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

Agency and third-party staff

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

Contractors

We will ensure that any contractor, or any employee of the contractor, who is to work at the school has had the appropriate level of DBS check. This will be:

- An enhanced DBS check with barred list information for contractors engaging in regulated activity;
- An enhanced DBS check, not including barred list information, for all other contractors who are not in regulated activity but whose work provides them with an opportunity for regular contact with children.

We will obtain the DBS check for self-employed contractors.

We will not keep copies of such checks for longer than 6 months.

Contractors who have not had any checks will not be allowed to work unsupervised or engage in regulated activity under any circumstances.

We will check the identity of all contractors and their staff on arrival at the academy.

Trainee/student teachers

Where applicants for initial teacher training are salaried by us, we will ensure that all

necessary checks are carried out, as detailed in appointing new staff.

Where trainee teachers are fee-funded, we will obtain written confirmation from the training provider that necessary checks have been carried out and that the trainee has been judged by the provider to be suitable to work with children.

Volunteers

We will:

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Obtain an enhanced DBS check without barred list information for all volunteers who are not in regulated activity, but who have an opportunity to come into contact with children on a regular basis, for example, supervised volunteers
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check for any volunteers not engaging in regulated activity.

Governance

- All persons within the governance structure (Trustees, the Executive Leadership Team, the Extended Executive Leadership Team and Headteachers) will have an enhanced DBS check without barred list information and section 128 check. They will have an enhanced DBS check with barred list information if working in regulated activity.
- All Trustees, Executive Leadership Team, Extended Executive Leadership Team, the regional governance teams and AAG members will have the following checks:
 - An enhanced DBS check with barred list information
 - Will have been subject to a Section 128 direction
 - Check for the right to work in UK
 - And any other checks deemed necessary if they have lived or worked outside the UK.
- The Chair of the Board of Trustees will have their DBS countersigned by the Secretary of State.

Adults who supervise pupils on work experience

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm.

We will also consider whether it is necessary for barred list checks to be carried out on the individuals who supervise a pupil under 16 on work experience. This will depend on the specific circumstances of the work experience, including the nature of the supervision, the

frequency of the activity being supervised, and whether the work is regulated activity.

Pupils staying with host families

Where the academy makes arrangements for pupils to be provided with care and accommodation by a host family to which they are not related (for example, during a foreign exchange visit), we will request enhanced DBS checks with barred list information on those people.

Where the academy is organising such hosting arrangements overseas and host families cannot be checked in the same way, we will work with our partner schools abroad to ensure that similar assurances are undertaken prior to the visit.

Checking the identity and suitability of visitors

All visitors will be required to verify their identity to the satisfaction of staff at reception.

If the visitor is unknown to the setting, we will check their credentials and reason for visiting before allowing them to enter the setting. Visitors should be ready to produce identification.

Visitors are expected to sign in and wear a visitor's badge. The academy will issue a red lanyard to the visitor if the academy has not completed all the relevant checks. **If a visitor is wearing a red lanyard they cannot be left unsupervised in the academy at any point.**

All visitors to our setting, including visiting speakers, will be accompanied by a member of staff at all times.

We will not invite into the academy any speaker who is known to disseminate extremist views and we will carry out appropriate checks to ensure that any individual or organisation using academy facilities is not seeking to disseminate extremist views or radicalise pupils, parents or staff.

Appendix 3: allegations of abuse made against staff

This section of this policy applies to all cases in which it is alleged that a current member of staff or volunteer has:

- Behaved in a way that has harmed a child, or may have harmed a child, or
- Possibly committed a criminal offence against or related to a child, or
- Behaved towards a child or children in a way that indicates he or she would pose a risk of harm to children.

It applies regardless of whether the alleged abuse took place in the school. Allegations against a teacher who is no longer teaching and historical allegations of abuse will be referred to the police.

We will deal with any allegation of abuse against a member of staff or volunteer very quickly, in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

Our procedures for dealing with allegations will be applied with common sense and fair judgement.

Suspension

Suspension will not be the default position and will only be considered in cases where there is reason to suspect that a child or other children is/are at risk of harm, or the case is so serious that it might be grounds for dismissal. In such cases, we will only suspend an individual if we have considered all other options available and there is no reasonable alternative.

Based on an assessment of risk, we will consider alternatives such as:

- Redeployment within the school so that the individual does not have direct contact with the child or children concerned
- Providing an assistant to be present when the individual has contact with children
- Redeploying the individual to alternative work in the school so that they do not have unsupervised access to children
- Moving the child or children to classes where they will not come into contact with the individual, making it clear that this is not a punishment and parents have been consulted
- Temporarily redeploying the individual to another role in a different location, for example to an alternative school or other work for the trust.

Definitions for outcomes of allegation investigations

- **Substantiated:** there is sufficient evidence to prove the allegation
- **Malicious:** there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive
- **False:** there is sufficient evidence to disprove the allegation
- **Unsubstantiated:** there is insufficient evidence to either prove or disprove the

allegation (this does not imply guilt or innocence)

- **Unfounded:** to reflect cases where there is no evidence or proper basis which supports the allegation being made.

Procedure for dealing with allegations

In the event of an allegation that meets the criteria above, the headteacher (or the Regional Education Director where the headteacher is the subject of the allegation) – the ‘case manager’ – will take the following steps:

- Immediately discuss the allegation with the designated officer at the local authority. This is to consider the nature, content and context of the allegation and agree a course of action, including whether further enquiries are necessary to enable a decision on how to proceed, and whether it is necessary to involve the police and/or children’s social care services. (The case manager may, on occasion, consider it necessary to involve the police *before* consulting the designated officer – for example, if the accused individual is deemed to be an immediate risk to children or there is evidence of a possible criminal offence. In such cases, the case manager will notify the designated officer as soon as practicably possible after contacting the police)
- Inform the accused individual of the concerns or allegations and likely course of action as soon as possible after speaking to the designated officer (and the police or children’s social care services, where necessary). Where the police and/or children’s social care services are involved, the case manager will only share such information with the individual as has been agreed with those agencies
- Where appropriate (in the circumstances described above), carefully consider whether suspension of the individual from contact with children at the academy is justified or whether alternative arrangements such as those outlined above can be put in place. Advice will be sought from the designated officer, police and/or children’s social care services, as appropriate.
- **If immediate suspension is considered necessary**, agree and record the rationale for this with the designated officer. The record will include information about the alternatives to suspension that have been considered, and why they were rejected. Written confirmation of the suspension will be provided to the individual facing the allegation or concern within 1 working day, and the individual will be given a named contact at the academy and their contact details.
- **If it is decided that no further action is to be taken** in regard to the subject of the allegation or concern, record this decision and the justification for it and agree with the designated officer what information should be put in writing to the individual and by whom, as well as what action should follow both in respect of the individual and those who made the initial allegation. This may sometimes result in further action being taken if there are concerns regarding the conduct of the member of staff.
- **If it is decided that further action is needed**, take steps as agreed with the designated officer to initiate the appropriate action in the academy and/or liaise with the police and/or children’s social care services as appropriate.

- Provide effective support for the individual facing the allegation or concern, including appointing a named representative to keep them informed of the progress of the case and consider what other support is appropriate. The trust provides external and confidential support for all employees 'Employer Assistance Programme'. The contact number is 0800 0305182.
- Inform the parents or carers of the child/children involved about the allegation as soon as possible if they do not already know (following agreement with children's social care services and/or the police, if applicable). The case manager will also inform the parents or carers of the requirement to maintain confidentiality about any allegations made against teachers (where this applies) while investigations are ongoing. Any parent or carer who wishes to have the confidentiality restrictions removed in respect of a teacher will be advised to seek legal advice.
- Keep the parents or carers of the child/children involved informed of the progress of the case and the outcome, where there is not a criminal prosecution, including the outcome of any disciplinary process (in confidence).
- Make a referral to the DBS where it is thought that the individual facing the allegation or concern has engaged in conduct that harmed or is likely to harm a child, or if the individual otherwise poses a risk of harm to a child.

Allegations about a member of staff, trustee or volunteer

Allegations about a headteacher

In the Primary Academies:

We will inform Ofsted of any allegations of serious harm or abuse by any person living, working, or looking after children at the premises (whether the allegations relate to harm or abuse committed on the premises or elsewhere), and any action taken in respect of the allegations. This notification will be made as soon as reasonably possible and always within 14 days of the allegations being made.

If the academy is made aware that the Secretary of State has made an interim prohibition order in respect of an individual, we will immediately suspend that individual from teaching, pending the findings of the investigation by Teaching Regulation Authority (TRA).

Where the police are involved, wherever possible the governance will ask the police at the start of the investigation to obtain consent from the individuals involved to share their statements and evidence for use in the academy's disciplinary process, should this be required at a later point.

Timescales

- Any cases where it is clear immediately that the allegation is unsubstantiated or malicious will be resolved within 1 week.
- If the nature of an allegation does not require formal disciplinary action, we will institute appropriate action within 3 working days.
- If a disciplinary hearing is required and can be held without further investigation, we will hold this within 15 working days.

Specific actions

Action following a criminal investigation or prosecution

The case manager will discuss with the local authority's designated officer whether any further action, including disciplinary action, is appropriate and, if so, how to proceed, taking into account information provided by the police and/or children's social care services.

Conclusion of a case where the allegation is substantiated

If the allegation is substantiated and the individual is dismissed or the school ceases to use their services, or the individual resigns or otherwise ceases to provide their services, the case manager and the school's personnel adviser will discuss with the designated officer whether to make a referral to the DBS for consideration of whether inclusion on the barred lists is required.

If the individual concerned is a member of teaching staff, the case manager and personnel adviser will discuss with the designated officer whether to refer the matter to the TRA to consider prohibiting the individual from teaching.

Individuals returning to work after suspension

If it is decided on the conclusion of a case that an individual who has been suspended can

return to work, the case manager will consider how best to facilitate this.

The case manager will also consider how best to manage the individual's contact with the child or children who made the allegation, if they are still attending the academy.

Unsubstantiated or malicious allegations

If an allegation is shown to be deliberately invented, or malicious, the headteacher, or other appropriate person in the case of an allegation against the headteacher, will consider whether any disciplinary action is appropriate against the pupil(s) who made it, or whether the police should be asked to consider whether action against those who made the allegation might be appropriate, even if they are not a pupil.

Confidentiality

The academy will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

The case manager will take advice from the local authority's designated officer, police and children's social care services, as appropriate, to agree:

- Who needs to know about the allegation and what information can be shared;
- How to manage speculation, leaks and gossip, including how to make parents or carers of a child/children involved aware of their obligations with respect to confidentiality;
- What, if any, information can be reasonably given to the wider community to reduce speculation;
- How to manage press interest if, and when, it arises.

Record-keeping

The case manager will maintain clear records about any case where the allegation or concern meets the criteria above and store them on the individual's confidential personnel file for the duration of the case. Such records will include:

- A clear and comprehensive summary of the allegation
- Details of how the allegation was followed up and resolved
- Notes of any action taken and decisions reached (and justification for these, as stated above).

If an allegation or concern is not found to have been malicious, the school will retain the records of the case on the individual's confidential personnel file and provide a copy to the individual. We will retain these records at least until the individual has reached normal pension age, or for 10 years from the date of the allegation if that is longer.

The records of any allegation that is found to be malicious will be deleted from the individual's personnel file.

References

When providing employer references, we will not refer to any allegation that has been proven to be false, unsubstantiated or malicious, or any history of allegations where all such allegations have been proven to be false, unsubstantiated or malicious.

Learning lessons

After any cases where the allegations are *substantiated*, we will review the circumstances of the case with the local authority's designated officer to determine whether there are any improvements that we can make to the school's procedures or practice to help prevent similar events in the future.

This will include consideration of (as applicable):

- Issues arising from the decision to suspend the member of staff
- The duration of the suspension
- Whether or not the
- suspension was justified
- The use of suspension when the individual is subsequently reinstated. We will consider how future investigations of a similar nature could be carried out without suspending the individual.
