

Heartlands Academy Year 7 History Summer Project 2020

You will be conducting a research project based on an important historical figure. You can either choose your own historical figure or choose from one of the following; King William I, Alexander Fleming, Princess Diana, Mary Seacole, King Henry VIII, Ouladah Equiano.

Here are some questions you need to answer about the figure you have chosen:

- Who are they? Give a brief introduction of their life.
- What are they known for?
- When were they living? What else was happening at that time?
- How have they made history?
- Why did you choose this person? Make sure you explain your choice with at least 3 reasons.

Include the answers to all your questions on an A4 page.
You should also include pictures that are relevant to your
historical figure.
